Morgan Greene

Freelance Character Animator
West Palm Beach, Florida

Summary

Hi, I'm Morgan! I'm a Character Animator and Director. From a young age, I had a creative spirit and a love for films, especially for Disney animations. In freshman year of high school, I started pursuing my artistic talents. Immediately I decided film and 3d animation is what I was going to pursue my career. In my career so far I've had the pleasure of working at Pixar, Disney and Dreamwork with the amazing James Baxter and Glen Keane on films such as Tangled and Croods.
